Experience

Labmentix, India   **June 2025**
Business Analyst Intern

- As a **Labmentix business analyst intern,** I created **dashboards**, conducted **exploratory data analysis (EDA),** and produced actionable business insights to support data-driven decision making.

ShadowFox, India   **May 2025**
Data Science Intern

- I gained practical experience with **Python, SQL, and data visualization tools like Power BI** while working on real-world data analysis projects as a **Data Science Intern at ShadowFox.**

LDRP-ITR   **August-2024**
Internal Hackathon   *Gandhinagar, India*

- I have been selected in Collage internal **hackathon** with good idea.

PROJECTS

Dubai Real Estate Intelligence Dashboard ||Power BI

- created an interactive Power BI dashboard and data model on Dubai real estate using best practices for **data cleaning, DAX, and visualization to aid in business decision-making.**

Mental_Health_in_Tech_EDA ||Python for Data Analysis & Cleaning

- used Python, Seaborn, and Matplotlib to conduct a thorough EDA on mental health in the tech sector; produced more than 15 powerful charts with insights geared toward business and code that was ready for deployment. Patterns in treatment-seeking behavior, workplace support, and demographic trends were identified to inform recommendations for mental health policies.

Shopify FAQ Page ||Remix, React, Polaris, Node, Express, MongoDB

- created the Shopify FAQ Page embedded app, which offers multilingual support, rating-based feedback, and category organization for simple FAQ creation and administration. used the REST Admin API and App Bridge to integrate with Shopify Admin..

CERTIFICATIONS

- Enhancing Soft Skills and Personality-**NPTEL.**

- Python for Data Science-**NPTEL.**

- finished a 20-hour **practical SQL course on Udemy** that included interactive exercises.learned how to use real-world examples to write and optimize SQL queries.

- **TATA   Forage** issued the Certificate in **Data Visualization:** Empowering Business with Effective Insights in March 2025.
